Child Care Immunization Form

Must be on file **before** a child attends child care

Name _____ Birthdate _____

Date of Enrollment

Minnesota law requires children enrolled in child care to be immunized against certain diseases or file a legal medical or conscientious exemption.

Parent/Guardian:

You may attach a copy of the child's immunization history to this form OR enter the MONTH, DAY, and YEAR for all vaccines your child received. Enter MED to indicate vaccines that are medically contraindicated including a history of disease, or laboratory evidence of immunity and CO for vaccines that are contrary to parent or guardian's conscientiously held beliefs.

Sign or obtain appropriate signatures on reverse. Complete section 1A or 1B to certify immunization status and section 2A to document medical exemptions (including a history of varicella disease) and 2B to document a conscientious exemption.

For updated copies of your child's vaccination history, talk to your doctor or call the Minnesota Immunization Information Connection (MIIC) at 651-201-5503 or 800-657-3970.

2. Exemptions to Immunization Law. Complete A and/or B to indicate type of exemption.

A. Medical exemption:

No child is required to receive an immunization if they have a medical contraindication, history of disease, or laboratory evidence of immunity. For a child to receive a medical exemption, a physician, nurse practitioner, or physician assistant must sign this statement:

I certify the immunization(s) listed below are contraindicated for medical reasons, laboratory evidence of immunity, or that adequate immunity exists due to a history of disease that was laboratory confirmed (for varicella disease see * below). List exempted immunization(s):

Signature of physician / nurse practitioner / physician assistant

Date

*History of varicella disease only. In the case of varicella disease, it was medically diagnosed or adequately described to me by the parent to indicate past varicella infection in _____ (year)

Signature of physician / nurse practitioner / physician assistant (If disease occured before September 2010, a parent can sign.)

B. Conscientious exemption:

No child is required to have an immunization that is contrary to the conscientiously held beliefs of his/her parent or guardian. However, not following vaccine recommendations may endanger the health or life of the child or others they come in contact with. In a disease outbreak, children who are not vaccinated may be excluded in order to protect them and others. To receive an exemption to vaccination, a parent or legal guardian must complete and sign the following statement and have it notarized:

I certify by notarization that it is contrary to my conscientiously held beliefs for my child to receive the following vaccine(s):

Signature of parent or legal guardian _____ Date

Subscribed and sworn to before me this: _____day of _____
